In 2023, 84 men, 28 women and about 19 boys and 13 girls, athletes registered with the Federation, participated in the championship series. In total in all categories of the events (federation athletes, open categories of promotion - social sports categories), we had more than 575 entries of athletes who were supported at the events by their families and friends.

In 2024 we had 97 men, 40 women and more than 30 young registered athletes within the Federation that participated in the championship series. With the athletes that are not register there was a total of more than 650 entries in all categories of the events (federation athletes, open categories of promotion - social sports categories).

Every year we participate (as Cyprus Triathlon National Team) with our top 4-6 athletes to an international event.

In 2024 we participated with 6 athletes and 1 coach in the 2024 Europe Triathlon Championships Vichy in France.

In 2024 we also participated, for the first time, with 5 athletes under the age of 18 and 1 coach in the 2024 Europe Triathlon Balkan Championships Izvorani in Romania.

The greatest athlete distinction of the Federation was the success of our female athlete, Perikleous Stavri, with the bronze medal in the Aquathlon at the Mediterranean Coastal Games in Patra in 2019 (in 2023 the Aquathlon of the Triathlon was not included in the games).

In 2022 we had athlete's participation in the Commonwealth Games for the first time and in 2023 in the Youth Commonwealth Games for the first time.

In 2018 we participated for the first time in the Mediterranean Games (In 2022 Triathlon was not included in the games).

The paratriathlete of the Federation, Andreas Doulappas, was claiming qualification for the 2024 Paralympics but unfortunately did not succeed. He is currently within the top 20, World Triathlon Para Rankings list.

Federation's Vice President, Mrs. Avraamidou, is also a member of the Board for 2024-2028 of the Cyprus Olympic Committee.

Federation's Sports Curator, Mr. Kadis Demetrios, is also a member of the Board for 2024-28 of the Cyprus National Paralympic Committee.

Triathlon, for athletes, is demanding sport in terms of time allocation, with daily long hours of training and also quite expensive. It is a demanding sport and for the success of an athlete you need to be able to harmoniously combine many things: endurance, strength, speed, explosion, technique, correct recovery, correct choice and use of sports equipment, nutrition, psychological & sports medicine support. It takes total dedication but above all discipline.

Triathlon events are exciting, with intense interest and competition. But above all, Triathlon events need proper organization and the help and protection of the municipal authorities, public workers, police etc., otherwise it is very difficult to be held and succeed.

The protection and safety of our athletes always comes first and that is why the roads where the cycling of a Triathlon race takes place are closed to traffic, there is always a doctor and an ambulance and the races which include swimming are supervised by certified lifeguards.

All events are mandatory supervised by a World Triathlon Certified Technical Official.

The organization of Triathlon events as well as the organization of Training Programs/Camps for Triathlon athletes in Cyprus attracts athletes/teams from many countries. All this together with the climatic conditions, the hospitality, the facilities, etc., contribute to the choice of Cyprus by many teams/countries for preparation, giving us a place on the European and World map of Triathlon.

As compensation for your sponsorship for 2025, for the sum of **€3000 (three thousand euro)**, your company will be promoted by our Federation for a period of one year as follows:

- Press release about the sponsorship,
- Placement of your company's Logo on the official website of the Cyprus Triathlon Federation,
- Placement of your company's Logo on the official letters and correspondence of the Federation,
- Placement of your company's Logo in the proclamation of the Championship,
- Placing your company's Logo on the official Championship banner (display on the Federation's website, Facebook, Instagram),
- Placement of your company's Logo on the numbers (running) of the athletes in the 2025 championship games,
- In cooperation with the organizers, placement of banners by your company in the venues and awards of the 2025 championship events,
- In collaboration with the organizers, awarding by an administrative officer of your company, of the athletes in the Federation's competitions.

For the sum of **€15,000 (fifteen thousand euro)**, the Federation will additionally name the 2025 Championship and the 2025 annual athlete's awards event, which will be held in a special ceremony, with the name of your company.
